By: Zhao, Peilin, Class1 Grade 6
Jinan Lixia Experimental Primary School

If I had magical powers,
I would keep wars away from human beings,
heal the hurts of people in battlefields,
so that in the sunshine of peace they could bathe.

Dreams Never Wither

By: Xie, Shuyi, Class 1 Grade 6
Jinan Lixia Experimental Primary School

The buds of hope,
deep in the heart,
Yet never see the light.
Until a soul stands up,
fighting for the immortal glory of equality,
it bursts into bloom,
and never withers.

A Great Man

By: Miao, Yumeng, Class 1 Grade 6
Jinan Lixia Experimental Primary School

Standing in roses, there's a great man.
He sought justice, so all could stand.
He's Martin Luther King,
Who reached out his hand.
His selfless spirit is left deep in our minds.

I dream of the world of peace
Where people can live with ease
I dream of the world full of happiness
Where there is no selfishness

Where people know love is priceless

With Love

BY: Gong, Qinyuan, Class 6 Grade 5
Jinan Lixia Experimental Primary School

We're different because of languages
We're different because of cultures
But we have more things in common
That is,
We're happier when we're helping others
We can't wait to share love
with our beloved ones

Peace and Home

By: Hu, Yixue, Grade 6
Jinan LiXia Experimental Primary School

Once the war comes
Families will be scattered
So, reject the war
And please love peace
Yearn for peace
Even fight for peace
For our sweet home

The snow is falling
The wind is blowing
But the rest is peace
No hells behind us
People are sleeping
Peace is happening.

My Dream

By: Ding, Zhiyuan, Class 6 Grade 5
Jinan Lixia Experimental Primary School

I have a little dream
We were family living on earth
You, with blue eyes
I, with yellow skin
On a meadowland
Hand in hand
Singing and Dancing
