

Hello to all the donors, Thank you so much for your generous support.

I wanted to personally express my gratitude for making our recent trip to China such a memorable experience. Your contributions allowed us to explore Beijing's rich history, including visits to the Forbidden City and the Great Wall which was really fun.

We also had the unique opportunity to engage with high school students, which in turn helped me understand more about Chinese culture, and drove me to learn more about this beautiful language and culture. Our stay with a wonderful host family in Jinan added a special touch to the trip, making it even more meaningful.

This journey was truly unforgettable, and it was all possible because of your generosity. I deeply appreciate your support and the difference it has made.

Thank you once again for your kindness.
